

# TOTALVIEW BIRD'S EYE VIEW CAMERA SYSTEM

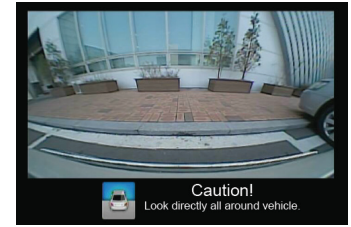

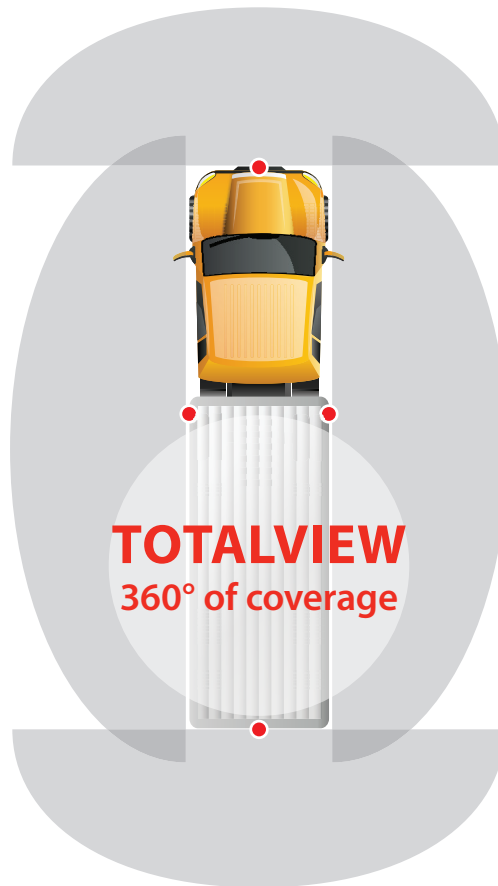

Top + Front View - Split Screen

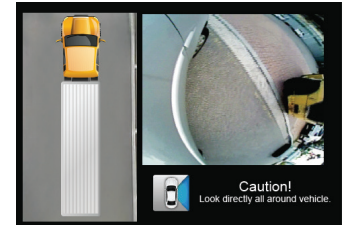

Top + Left View - Split Screen

Top + Rear View - Split Screen

Front View - Full Screen

Top + Right View - Split Screen

Rear View - Full Screen

The TotalView system provides you with an unprecedented 360° view of your surroundings, allowing you to maneuver into tight garages and parking spaces. You'll also reduce liability and increase safety by being able to clearly see any obstructions or pedestrians, and gain insight to the "mystery damage" that frequently appears on fleet vehicles. TotalView is compatible with any of Safety Vision's durable monitors and can provide a split screen view from any of four compact cameras.
